RESTORATION

God's Mighty Hand In Situations Today...

***STORIES OF GODS' MIRACLE
WORKING POWER TODAY...***

My name is Nene. My life is a mess. That's all you need to know about me. God has abandoned me; and that right early.

Why is he doing this to me?

My mom died. She died serving him. What did we ever get for going all out for Him? Nothing. That's it. Zip. Zilch. Nothing.

I feel dead. I know I am dead. The emptiness is killing me but... I. Don't. Care. I would rather be on my own than be with a God who never hearkens to the cry of His people.

I wake up. I look around and see nothing to be excited about. Who are you God? Tell me who you are.

If you are all powerful, then why am I down on my back?

I feel it. It's in my veins; this slow moving train that is my life. I can taste the bitterness in my mouth so badly it nauseates me.

If this is what salvation is, then I'd rather you...

Just before she said the next words, her face went slack, her eyes popped out in shock as she watched a man deep in the depths of hell. She could smell the burning sulphur in the air; she could almost taste the smell or burning bodies. A man was there in the midst of them, she could make out his face and knew who HE was almost instantly.

JESUS...

In hell?

For you.

She didn't understand.

Again He repeated...

For you.

Her suspended senses came back to her and her first thoughts were to be in awe.

For me?

Was that He went through to save me?

But as she looked around the house again, she became sad.

Perhaps I wouldn't throw away now that I have seen what you went through but it doesn't change the fact that my life is a mess.

They call you the *Olowogbobo*... where is your outstretched arm today?

Be still and know that I AM GOD.

One woman also questioned me all those years ago; her name was Naomi. She changed her name to Mara, accused me before the entire land of Judah and misrepresented who I am to a new believer named Ruth.

I answered her not.

I kept silent... BUT I WAS WORKING.

I orchestrated the feet of Ruth to the right field; I took her hand and brought her onto the pathway of her help even when she didn't know it was I who had led her out of her house that faithful day.

She thought she just took a decision to go gleaning in the fields; it

was I who was working in her and within her to bring her to her place of rest. TO BRING HER RESTORATION.

Who is he that questions me?

Who is he that calls me unjust?

One man did the same in his days; his name was Job. He called me unjust. He called me one who abandons his own.

But how can that be true?

I know the name of every son and daughter I have ever created for myself; I know their names, I number the hair on their head. I walk with them, I give them thoughts that take them to their wealthy place.

Naomi thought she was so brilliant to have thought of settling Ruth in Boaz's home as his wife... still it was me working all along, for my purposes for Ruth to come to pass, to come to fruition.

I restore the lost years.

I give back the stolen treasures.

I renew.

I replace.

I show ALWAYS that I am the God who works on behalf of His people; on behalf of the ones who wait for me.

And Nene, you will be no exception.

STUDY GUIDE/QUESTIONS:

1: Read the book of Ruth.

2: Do you feel forsaken right now? Are you like Nene? Sometimes our hurts and pains lead us to “question God”. We are not asking Him questions with a heart to know the answer, we are questioning Him. Questioning His character, questioning His love, questioning the very essence of who He is.

Moses cried out: “that I may know your ways oh Lord!”

To know God’s ways is to know His essence, who He is, and the way His mind works.

For God, weeping does not endure always, morning always comes.

For God, the pit isn’t forever, the place is always near.

For God, restoration and renewal always comes after the drought.

Let your heart be encouraged; your God is near.

If He did it for Ruth, He will do it for you. Your God would come to save you if you call. As you trust Him, you will see that He is a God of restoration – whether that restoration occurs suddenly or GRADUALLY.

Ruth’s restoration happened gradually too; she gleaned in Boaz’s fields all through the barley and wheat harvest before the TIME came for something more. Who knows how long that was?

But God was plotting and planning all along to restore and reward her for taking refuge under His wings (See Ruth chapter 2:12)

God restores. God restores. God restores.
